Flowers, B.S., *Offshore Drilling—Our Deepwater Future*, 5, XLV, August 1981

Green, T.L., *Computer Analysis Of Grease Lubricated Bearing Data*, 9, XLV, December 1981
Co-author, G.W. Fultz

Jamison, W.E., *Oil Filled Microporous Polymer Lubricants*, 4, XLV, July 1981
Co-author, R.C. Pennington

Jenks, G.R., *Let's Get Involved*, 4, XLV, July 1981

Merrell, R.V., *President's Address—1981*, 9, XLV, December 1981

Minemoto, M., *Use Of Urea Grease In High Temperature Industrial Service*, 3, XLV, June 1981
Co-author, H. Kinoshita

Murray, J.L., *1979 NLGI Grease Survey*, 6, XLV, September 1981

Murray, J.L., *Lithium Complex Grease In The NLGI Production Survey*, 9, XLV, December 1981

Portwood, R.B., *Lubrication Requirements Of Rotary Shouldered Tool Joint Connections*, 8, XLV, November 1981

Price, W.J., *Our Country's Energy Outlook*, 1, XLV, April 1981

Schlobohm, R.T., *Formulating Greases To Minimize Fretting Corrosion*, 10, XLV, January 1982

Warren, R.E., *An Experience In Marketing A Borate Industrial Gear Lubricant For The Energy Conscious 80's . . . And Beyond*, 11, XLV, February 1982

MARKETING

An Experience In Marketing A Borate Industrial Gear Lubricant For The Energy Conscious 80's . . . And Beyond, R.E. Warren, 11, XLV, February 1982

LUBRICATING GREASE

Additives

Graphite Powder And Other Solids In Lubrication, F.G. Fischer, R.G. Huber, and A.D. Cron, 12, XLV, March 1982

Application

Lubrication Requirements Of Rotary Shouldered Tool Joint Connections, R.B. Portwood, 8, XLV, November 1981

Use Of Urea Grease In High Temperature Industrial Service, M. Minemoto and H. Kinoshita, 3, XLV, June 1981

Characteristics

Oil Filled Microporous Polymer Lubricants, W.E. Jamison and R.C. Pennington, 4, XLV, July 1981

Composition

Formulating Greases To Minimize Fretting Corrosion, R.T. Schlobohm, 10, XLV, January 1982

Production Figures

1979 NLGI Grease Survey, J.L. Murray, 6, XLV, September 1981
